

Introducing Fred Look Ahead and Lulu Review

I'm Fred Look Ahead.

Use me as a reminder to look over the main points of a learning unit before reading it in detail. Looking around first will make learning easier.

I'm Lulu Review.
I'm here to remind you to review once in a while. So jump on board, and we will review together.

Be sure to look at the Table of Contents on the next page. You need to know where you are going because Lulu is flying all over this book and you might crash into her.

Fred told me about the tough problems. I starred these problems. You may want to skip them.
